

Dear Friends,

As the world experiences uncertainty because of COVID 19, **FACES: The National Craniofacial Association** continues to assist children and adults with craniofacial differences – because children are still being born with craniofacial anomalies, kids still need to go to their medical appointments, and families are still searching for answers.

As Communications Director of FACES, I am asking for your help so that FACES can continue to spread hope and help families – even during these uncertain times. Please consider becoming a sponsor for the ***Different is Divine Online Silent Auction*** fundraiser event.

We appreciate our sponsors and do all that we can to highlight their businesses and to let our visitors and friends know of their generosity with our social media, website, and more.

For over 50 years, **FACES: The National Craniofacial Association, a 501(c)3 organization**, has been dedicated to assisting children and adults who have craniofacial disorders resulting from disease, accident, or birth. ***All donations to FACES are tax deductible to the fullest extent of the law.***

You can find more information at **www.faces-cranio.org/celebration**. If you have any questions, please feel free to call us at FACES at 423-266-1632, or be sure to visit our web site at **www.faces-cranio.org**.

Thank you for your consideration!
